Joe Bruce will lead this club sponsored event, available to FSFF members for \$20 fee to pay for the Icelandic wool hides, as part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

All participating members will be actively involved in the dye mixing, cooking, cutting, dyeing, combing and drying processes. Everyone will end up with A LOT of Icelandic wool for tying an array of flies, including one of the club's favorite, the bullethead fly.

Sign-up at an upcoming club meeting, pay for your \$20 and you will all set to learn about the dyeing process. Joe is planning on creating dyes for the following colors: chartreuse, yellow, light olive, orange, purple, dark olive, and silver gray. This year, in addition to a natural white hide, Joe will be ordering a natural black hide as well. You can't buy this range of colors for this price! So come on out and join us for a morning of dyeing and fellowship.
