We have a lot of work to accomplish, including the following:

- Painting the outside walls of clubhouse.
- Painting the outside windows' trim and doors.
- Painting the interior windows' trim and doors.
- Trimming the shrubs in the front of the building.
- Weed the back of the building.
- Clean up the bathroom and kitchen areas.
- Clean out cabinets under the sink in the kitchen area.
- Vacuum the carpeted stage including behind the screen.
- Clean out the two storage areas on each side of the screen.
- Scrub the main floor.
