

Free State Fly Fishers Presents:

“Paring Down Your Set of Fishing Tackle”

A Free Virtual Hands-on Session Presented by Joe Bruce, FSFF
Member and Nationally Recognized Fly Fishing Author

SATURDAY OCTOBER 24, 2020
10 AM to 12 PM

Location:
Virtually Via a Zoom Meeting

Joe Bruce will walk participants how to reduce down all the fly fishing tackle you end of bringing out on the stream and in your kayak, canoe or boat down the essentials. This club sponsored event, free to FSFF members, is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

All of us know we bring way too much fly fishing tackle with us whenever we step out the door to go fishing. We don't want to find ourselves without the right tackle to help us catch fish. If you are guilty of this, well come out and learn from the master on paring down!

During this virtual hands-on demonstration, Joe will cover the following:

- **What are the true essential sets of fly fishing related tackle and other ‘stuff’ that we really need to catch fish**
- **How to par down your tackle and select what you really need to bring**
- **How to pack EVERYTHING you will need to fish for an entire day, including your lunch, into a small hand held pack**

And knowing Joe, he will also provide a host of ideas and examples of his experiences on how to make your fly fishing experience less complicated and more satisfying!
