Joe Bruce will demonstrate how to tie deerhair poppers. This club sponsored event, free to FSFF members, is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

If you have never ‘spun’ Deerhair, here’s your opportunity to learn how to tie very effective Deerhair poppers. Joe Bruce will break down what looks like a very complex process for tying a fly into a series of very doable steps resulting in very effective popper patterns.

During this hands-on demonstration, Joe will cover the following:

- **Selecting the right hooks and threads for tying deerhair poppers**
- **Selecting and cutting the right deerhair for spinning**
- **The series of finger manipulations needed to tie the deerhair onto the hook**
- **Spinning deerhair properly and adding and spinning more deerhair**
- **Shaping your deerhair popper**
