

Free State Fly Fishers Presents:

“Making and Using Mini Sink-tips for Fly Lines”

A Free Hands-on Session Presented by Joe Bruce, FSFF Member
and Nationally Recognized Fly Fishing Author

SATURDAY October 16, 2021
10 AM – 12 PM

Location: Free State Fly Fishers' Clubhouse
Davidsonville Family Recreation Center
3789 Queen Anne Bridge Rd
Davidsonville, Maryland

Joe Bruce will demonstrate how to make mini sink-tips. This club sponsored event, free to FSFF members, is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

We all face times when we need to get our flies down deeper, but not too deep, to where the fish are, whether it's a pond, lake, stream, river or tidal embayment. Joe will teach us how to make our own mini-sink tips. No need to buy them anymore, as Joe will bring the needed materials and the know-how to this session.

During this hands-on demonstration, Joe will cover the following:

- **How to make different lengths of mini sink tip**
- **When are the best fishing situations to use mini sink tips**
- **What lengths of mini sink-tips should you use over different conditions**
- **How to best fly fish using mini sink-tips**
- **When should you be using either intermediate or sinking lines**

Questions? Please contact Joe Bruce at saltflies@comcast.net. Copies of Joe's many and diverse set of books and booklets covering fly fishing, fly tying and stories about fly fishing are available through Joe's website at joebruce.net.
