

# Free State Fly Fishers Present:

## “Hands-on Fly Casting Clinic”

A Free Hands-on Fly Casting Clinic Taught by Duber Winters, Joe Bruce, Tom Parham and Mark Bange

SATURDAY, October 9, 2021  
10:00 AM Casting Clinic on the Grounds Around the Clubhouse

Location:  
Free State Fly Fishers' Clubhouse  
Davidsonville Family Recreation Center  
3789 Queen Anne Bridge Rd  
Davidsonville, Maryland

This is the first of three casting clinics sponsored by the club and scheduled in the coming year—the other two clinics are scheduled for Wednesday, June 1 and Saturday, April 2, 2022.

**Duber Winters, Joe Bruce, Tom Parham and Mark Bange** will be sharing their extensive fly casting experiences as club members cast their own fly rods.

**We are asking club members to bring their own fly rods** so you can not only watch how to cast better, but you can also try out what our fly casting leaders are recommending to improve your cast.

**We will break up into a set of self-defined groups**—beginning fly casters (Duber), intermediate fly casters (Tom), advanced fly casters (Joe) and kayak fly casters (Mark)—each led by one of our own club expert fly casters.

- **Beginning casters:** members who have either never cast flies or are still in the early stages of fly casting.
- **Intermediate casters:** members who have been casting for a while, but know they could use some advice on how to make longer and more accurate casts.
- **Advanced casters:** members who have been fly fishing for many years under a wide variety of conditions and are looking to refine their presentations and add distance to their casts.
- **Kayak casters:** members who want to learn how to fly cast from a kayak or further improve their casting skills from that kayak sitting position.

Join us at the the clubhouse at 10:00 AM. We assemble on the hill outside of the clubhouse and start the casting clinic. Again, we ask everyone to bring their own fly rods.
