

Free State Fly Fishers Present:

“Building, Tying and Coloring the Double Barrel Seducer Poppers”

A Free Hands-on Session Taught by Joe DeMeo, a
Founding Member of FSFF and Experienced Fly Tyer

SATURDAY April 2, 2022
10 AM to 12 PM

Location:

Free State Fly Fishers' Clubhouse
Davidsonville Family Recreation Center
3789 Queen Anne Bridge Rd
Davidsonville, Maryland

Joe DeMeo will teach club members how to build, tie and color one of more unique popper fly patterns—the Double Barrel Seducer Popper. This club sponsored event, free to FSFF members, is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

Once you fish a Double Barrel Seducer popper, you will wonder why you would ever go back to ‘single barrel’ popper in the future! Several of your fellow club members discovered just how effective these poppers are in fly fishing for BIG largemouth bass up in the Adirondacks. Those ‘double barrels’ really move the water in front of the popper to get the fishes attention, but still look like something living on the water’s surface caused that movement. Joe DeMeo will walk us through all the steps, from prep to painting the poppers.

You definitely need to add this very unique popper to your existing collection by building, tying and coloring your own—Joe will teach you how to do so step by step!
