A Free On-Reservoir Class Presented by Joe Bruce, Club Member, Former Fly Fishing Shop Owner, Fly Fishing Book Author and Fly Tyer

FRIDAY May 13, 2022

Location:
Piney Run Reservoir at Piney Run Park
30 Martz Road
Sykesville, Maryland 21784

Joe Bruce will teach a hands-on, on-reservoir class on the basics of fly fishing for largemouth bass on a very productive reservoir close to FSFF members. This club sponsored event is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing. You will need to bring your own kayak, canoe or boat as well as your own fly fishing tackle.

Want to learn how to catch more largemouth bass casting flies? This is the perfect opportunity to learn directly from a one of the best bass fly fishers, and originator of several very effective articulated largemouth bass fly patterns. During this hands-on, on-reservoir class, Joe will cover all aspects of fly fishing for largemouth, from the gear to flies to how to cast to where to cast, what retrievals are best under what conditions and, most importantly, how to effectively catch largemouth bass on the fly. Joe will also talk about other very productive places to fly fish for largemouth bass in Delaware, Maryland, and Virginia.

We will meet at the boat ramp and then proceed out on the reservoir for the class.
