Tying Experts

SATURDAY November 19, 2022

Location:
Free State Fly Fishers' Clubhouse
Davidsonville Family Recreation Center
3789 Queen Anne Bridge Rd

Duber Winters and Joe Bruce will teach club members how tie a handful of ‘you really need to know’ fly fishing knots. This club sponsored event, free to FSFF members and all visitors, is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

We can make the most perfect cast, tie a fly which perfectly matches the hatch...but if the knot we tied connecting the tippet to the leader does not hold, we aren't going to land the fish! Our two resident experts of fishing knot tying—Joe Bruce and Duber Winters—will be teaching up the handful of fly fishing knots we will ever need to know how to tie. And, most importantly, teach us how to tie them correctly so we can't blame our knots for losing fish!

Joe will demonstrate the Albright, non-slip loop and Homer Rhoads knots. Duber will teach the back to back Uni Knot, the Clinch knot, the not the Duber knot loop knot, the popper-dropper rig and how to tie a 2 fly drop shot rig. This is a true hands-on session you can't afford to miss! All participants will be provided fly line to practice each knot.
