

DUBERFLY TROUT SCHOOLS

This comprehensive, on the water, interactive program offers trout fishing basics to the beginner as well as technical techniques and information for the seasoned angler. Presentations on streamer, dry fly, nymph and Euro-nymph fishing as well as on stream entomology basics are included. Guided fishing on premium private trout water accompanies instruction with a focus on reading water, fly selection, knots and proper catch and release techniques. Morning coffee, and lunch are provided.

1-3:00 Go fish! Fishing and Instruction with guides

3- till dark fish on your own

- Cedar Creek at Double Spur Outfitters is a 2 hour drive from Annapolis MD.
- A Virginia fishing license is required however a trout stamp/license is not
- Levi Pitcock, owner of Double Spur raises his own fish as well as from a hatchery- the result is a prime opportunity to target trout that are much larger than standard hatchery fish.
- The entire stocked stream is reserved for those attending the school.
- Anglers are permitted to harvest 2 fish per angler
- Lunch is provided at Gazebo
