

Free State Fly Fishers Present:

“Trout Fly Fishing 101”

A Free Streamside Class Presented by Duber Winter, Club Member, Fly Fishing Instructor and Former Fly Fishing Shop Manager

SATURDAY MARCH 25, 2023

Location: Morgan Run or The Gunpowder or TBD
729 Klees Mill Road Westminster, Maryland

Duber Winters will teach a hands-on, streamside class on the basics of trout fishing on the shoreline of one of Maryland’s top notch trout rivers located close to many club members. Duber will determine which stream to host the class closer to the class date and announce via <https://groups.io/g/fs-ff>. This club sponsored event is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

Never fly fished for trout before? This is the perfect opportunity to learn directly from a former guide right on the water. Been trout fishing on the Morgan Run and other trout streams and rivers, but have not caught much? Your luck will turn to new skills to hook into trout after taking this FREE streamside class. (Did we mention this class is free!?)

During this hands-on, streamside class, Duber will cover the following topics:

- • Fly fishing equipment you will need for trout fishing
 - • Casting techniques
 - • Wading techniques
- • Choosing the right flies for the stream conditions and time of year
 - • Reading the water and knowing where to cast
- • How to handle your fly line depending on whether you are casting dry flies, nymphs, streamers or terrestrials
 - • Being safe when fly fishing a trout stream
