SATURDAY December 16, 2023
10 AM to 12 PM

Location:

Free State Fly Fishers' Clubhouse
Davidsonville Family Recreation Center
3789 Queen Anne Bridge Rd
Davidsonville, Maryland

Rich Batiuk will present a host of ideas on how you can organize, store and ensure ready access to all your fly fishing rods, reels, nets, waders, boots, and other gear as well as fly fishing books, flies and fly tying materials and tools. This club sponsored event, free to FSFF members and all visitors, is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

All of us know the night before you are going out fly fishing, you are running around the house talking loudly to yourself, trying in vain to find your rods as well as the matching reels, your two boxes of smallmouth bass flies and your favorite fishing sunglasses. During this hands-presentation and demonstration, Rich will cover the following:

- How can you organize and store all your fly fishing gear so you know exactly where everything this and is easily accessible when you need it.
- How to store all your flies in a way that ensures you find the right flies for your trip.
- How can you make sense of all that fly tying materials and all those tools!
