This club sponsored event, free to FSFF members and all visitors, is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

On Saturday, May 11<sup>th</sup>, come and join Joe and your fellow Free State Fly Fishers and learn hands-on:

- What are the best fly line retrieval techniques under which circumstances
- When to go with a slow retrieve and when to go with a fast retrieve
- When to change your retrieval technique versus changing your fly

**Everyone should bring a fly rod rigged up with line and a leader** as Joe will be demonstrating a host of different fly line retrieval techniques, first in the clubhouse and then on the lawn behind the clubhouse with everyone joining in.
