This club sponsored event, free to FSFF members and all visitors, is part of a continuing series of club sponsored Saturday sessions focused on hands-on demonstrations of all aspects of fly fishing.

On Saturday, November 18, come and join Duber and your fellow Free State Fly Fishers and learn about how to make the most of out a guided fly fishing trip. More and more club members are hiring guides to take them out on waters which they have never fished before. And more and more club members are traveling across the country and even internationally to experience some fantastic fly fishing waters, using guides to get fish on their lines.

Based on his own experiences, Duber will share a host of tips and recommendations from how to select your guide to what you should expect to pay for a guided trip to how to prepare for a guided trip to how to make the most of your guided trip and your host guide to tipping your guide at the end of your trip.
