

Free State Fly Fishers Present:

“Hands-on Fly Casting Clinic Part 2”

A Free Hands-on Fly Casting Clinic

SATURDAY, September 21, 2024
10:00 to Noon

Location:
Adelphi Mill Park
Northwest Branch of the Anacostia
8402 Riggs Rd
Adelphi, Maryland 20783

We are asking club members to bring their own fly rods so you can not only watch how to cast better, but you can also try out what our fly casting leaders are recommending to improve your cast and work with moving stream water. Also, a great place to practice reading the water.

We will break up into a set of self-defined groups—

- **Pathway along the water:** easy access you will have a paved path along the creek and there is little to no obstructions to back casting.
- **What fish are there:** mostly blue gills, but there may be a trout or two.
- **Bring water**
- **Bathrooms none**

Questions? Please contact Tim Ruthemeyer at TRUTHEMEYER@GMAIL.COM
