

Free State Fly Fishers Present:

“Hands-on Fly Casting Clinic Part 2”

A Free Hands-on Fly Casting Clinic

SATURDAY, June 8, 2024
10:00 to Noon

Location:
Mill Branch Pond
Behind the Bowie City Hall and Police Station
15901 Fred Robinson Way
Bowie, Maryland 20716

We are asking club members to bring their own fly rods so you can not only watch how to cast better, but you can also try out what our fly casting leaders are recommending to improve your cast.

We will break up into a set of self-defined groups—

- **Pathway around the pond:** easy access you will have a paved path around the pond and there is little to no obstructions to back casting.
- **What fish are there:** mostly blue gills, but there is a bass or two.
- **Bring water**
- **Bathrooms at the local stores nearby.**
