

Free State Fly Fishers Club Outings for 2024-2025

Updated August 26, 2024

- Details on each scheduled outing (see below) will be presented by the outing coordinator at the Free State Fly Fishers (FSFF) meeting prior to the outing, emailed to members two weeks in advance, and posted on the FSFF web site: www.fs-ff.com.
- A one- to two-page description of outing logistics, including when, where, meeting location/time, target species, recommended equipment, recommended flies, license(s) needed, and any other instructions/outing logistics will be prepared for each outing and widely distributed at club meetings and posted on-line on the club's web site.
- The club's seasonal newsletters will also include the updated outings schedule, information on the upcoming outings, and reports on outings already conducted.
- Got an idea for an outing? Please contact Rich Batiuk, FSFF Outings Coordinator, at 410-507-0785 or richbatiuk@gmail.com or at an upcoming club meeting or event.
- Being an outing coordinator is simple: 1) decide where you want to go and when, 2) draft-up the one-page outing description (Rich can help you with this if you'd like), 3) notify Rich and he will add it to the outing schedule, and 4) just show up and start fishing!

Date	Location	Target Species	Outing Coordinator
August 8	Ingram Pond and Millsboro Pond, DE	Largemouth bass, crappie, bluegill, and pickerel	Mike Mattia, mmmattia2013@yahoo.com , 443-570-4735

- Gunpowder Falls, MD in the spring 2025 timeframe-Duber Winters
- Chester River in the fall 2024 timeframe-Duber Winters

Safety: Safety is a paramount concern on all FSFF sponsored outings. On all FSFF sponsored outings, please be safe out there as it is your responsibility to stay within your capabilities and practice water safety at all time. Check with the above listed outing coordinator for more information on the fishing conditions if you have any concerns or questions. If boating, always wear your PFD and if water temperatures are below 60 degrees F, have a plan to protect yourself from cold water immersion hazards should you fall in.

Liability Waiver: It is mandatory that any trip attendees of this club sponsored trips sign the FSFF Liability Waiver and submit them to Frank Bowne, FSFF Membership Coordinator. Copies of the waiver can be accessed on the club's website at: <https://fs-ff.com/wp-content/uploads/2022/04/Liability-Waiver-With-Printed-Name.pdf>.

Fellowship: Most importantly, enjoy the fellowship of your fellow members through fly fishing and tight lines!
