

Free State Fly Fishers Outing

When: Thursday, October 31, 2024

Where: Trussum Pond, Delaware

Outing Coordinator: Mike Mattia, mmmattia2013@yahoo.com, 443-570-4735

Meeting Time/Location: 7:00 AM at the Shopping Center on Route 50 on the right hand side just past Anglers and just before the Chesapeake Bay Bridge or meet at Trussum Pond. Please let Mike know if you plan to participate in this outing.

Directions to the Fishing Location: Take Route 301 N/ Route 50 East over the Chesapeake Bay Bridge. Continue on US-301 N/US-50 E to MD-404 E to US 13 S to Gordy Road to Wooten Road/Road 72. Enter the address "13663 Rd 72 Laurel, Delaware" or "Trussum Pond Boat Ramp, Laurel, Delaware" into your mapping app.

Species of Interest: Largemouth bass, bluegill, and pickerel.

Equipment Needed: Recommend 5-6 weight of rods with floating and intermediate lines. The fish are not leader shy so recommend a 7-9' leader for casting with your floating line and a 6' leader with your intermediate line both with 2x or 3x tippets. If you are targeting pickerel on this outing, recommend adding 25 lbs. bite tippet. Strongly recommend bringing your kayak, canoe, SUP, or boat as both ponds have limited shoreline fishing for those without a kayak, canoe or a boat.

Recommended Flies: Bring a good selection of your favorite panfish flies including wooly buggers, crystal buggers, Golden Retrievers, bluegill bullies, poppers, gurglers and spiders along smaller sized largemouth bass and pickerel flies including Clousers, bendbacks, and bulletheads.

License Required: Delaware fishing license required. Delaware fishing licenses are available on-line at <https://dnrec.delaware.gov/fish-wildlife/licenses/> or in person at Walmart stores located in Delaware. Please note that Delaware fishing licenses are free to senior citizens!
